

Let's Open
the future of C-Black

and
Hot-Red, Together.

'Together'

National Institute of Green Technology
(KNI_{GH}T)
President
LEE, Sang-Hyup

The C-black

Essential of Life
Diverse Processes

Complicated

The solution is Convergence

**(Science/Technology + Policy + Global
Cooperation)**

NIGT is the **KNIGHT 'Convergence'**

**(Technology Data Center + Policy Improvement Center
+ Global Cooperation Strategy Center)**

And Strong and effective Support of KOREA

Only one left

'Sincere Empathy and Communication'
